SR-MS103/SR-MS183

Microcomputer Controlled/ Fuzzy Logic Rice Cookers

Attractive, Compact Design

Beautifully complements any kitchen décor.

Domed Lid Design

Helps prevent accumulated water droplets from re-entering the rice.

Easy-to-Read Display

A quick glance tells you the cooking status.

Advanced Fuzzy Logic Technology

Adjusts power & cooking time automatically for precise and consistent results every time.

Dimpled Pan

For better cooking performance and improved taste.

SR-MS183

Moisture Cap

Helps prevent boil over and maintains moisture after cooking for fluffier rice.

Pushbutton Lid Release

No need to manually lift the lid when your hands are busy with other things.

Keep Warm Feature

When cooking is complete, the unit automatically switches to Keep Warm Mode and rice is maintained at the perfect temperature.

8 Pre-Program Control Panel

Lets you select up to 8 pre-programmed cooking options.

24-Hour Preset Timer

Timer function lets you control cooking start time so fresh-cooked rice is ready when you are.

Menu Options

Rice Only	Other
White Brown Sticky Quick Cook	Steam Slow Cook (12 hrs.) Cake Porridge

Removable Inner Lid

Convenient removal of inner lid allows for easy cleaning in the sink.

Detachable Power Cord

Remove the power cord for tidier storage or when serving rice right out of the cooker.

Included Accessories

Rice Scoop, Measuring Cup, Steaming Basket
